[Verse 1]

C Am
Sun comes up on the Kawkawlin River
F C
Coffee on the deck, it couldn't hit us better
C G
Garber grit in my backbone still
G Am
Kathleen's John Glenn heart, stubborn will

Am G F
From her kitchen window, clear and wide
C G
Saginaw Bay shining on the other side
Am G F
River holds steady, calm and true
F C G
Every day starts right with this view

[Chorus]

G C F
We're living that Kawkawlin River life
Am G
Cold in the winter, summer feels right
C
Water out front, stars at night
F
Seasons roll by, everything aligns

Am G F
Bay City roots run deep and wide
F C G
We're living that Kawkawlin River life

[Verse 2]

C Am
No malls, no rush, no endless lanes
Am F
Amazon boxes in the rain
F C
Nut House candy just down the road
C E C
Past Jake's Corner Lounge, sweet overload

C Am
Snow stacks high, wind off the bay
Am F
We hold our ground, wait it away
F G
Then July hits, boats drift through
G C
"Watch your wake!" yeah, we yell it too

[Chorus]

C F
Yeah, we're living that Kawkawlin River life
Am G
Ice to fireflies, year to year
G C
Morning glass, evening light
G C
Everything we need is here

C F
Bay City days, no need to roam
Am G F
Kawkawlin River, this is home

C | F | Am | G | Am

[Verse 3 - Neighbors]

Am F
Gary and Joyce stopping by
F C
Coffee at Nancy's picnic table outside
C G
Gabe on the other, same old view
G Am
Jackie across the street waving too

Am F
Crack a beer, share a laugh
F C
On Kawkawlin River Drive we're set
C G
We watch the river from our deck
G
It's a front-row seat to this life

[Final Chorus]

G C F
We're living that Kawkawlin River life
Am
Waters high, waters low
Am G
Across from Castaways' glowing sign
G C
Shining on the river every night we know
C F
From river run to open bay
F Am G F
This is where we chose to stay

[Outro]

C F
Neon dancing on the river foam
F Am G F
That Castaways sign lets us know we're home
